Szu-Han Chen

Curriculum Vitae

szuhanchen.md11@nycu.edu.tw | szu-han@hsph.harvard.edu
Google Scholar | ResearchGate | LinkedIn | Personal Website

MD student and cardiovascular/nutritional epidemiology researcher focused on cardiometabolic precision health. Combines large-cohort epidemiology, causal inference, and metabolomics to generate policy-aware evidence in hypertension, obesity, and heart failure, in ongoing collaboration with Harvard T.H. Chan School of Public Health.

EDUCATION

2022 – 2028 (expected) Doctor of Medicine (MD)

National Yang Ming Chiao Tung University, Taipei, Taiwan

EXPERIENCE

2025 – present	Research Collaborator, Harvard T.H. Chan School of Public Health
2022 – present	Research Student, Institute of Public Health, National Yang Ming Chiao Tung University
2025	Visiting Research Student, Harvard T.H. Chan School of Public Health
2024	Research Trainee, University of Tokyo
2019 – 2023	Research Trainee, Graduate Institute of Physiology, National Taiwan University College of Medicine

RESEARCH INTERESTS

Cardiometabolic Health, Obesity, Heart Failure, Hypertension, Nutrition, Cardiovascular Epidemiology, Nutritional Epidemiology, Evidence-Based Medicine

LANGUAGE SKILLS

Mandarin Chinese & Taiwanese — Native

Japanese — Conversational

English — Fluent

Cantonese — Conversational

HONORS

2026	**First Place, Oral Research Presentation Award**	**24th Asian Congress on Occupational Health (ACOH 2026)**
2026	Undergraduate Research Project Scholarship	National Science and Technology Council, Taiwan
2026	Outstanding Award	National Yang Ming Chiao Tung University College of Medicine International Symposium
2026	Outstanding Award	National Yang Ming Chiao Tung University Annual Biology Poster Session, Clinical Medicine and Public Health Research Division
2026	Third Place, Oral Research Presentation Award	Taiwan Society of Aldosteronism Spring Scientific Congress
2026	**Abstract Review Ranking First Place and Oral Presentation Award**	**Pulse of Asia International Conference**
2026	**Paul Dudley White International Scholar Award**	**American Heart Association EPI|Lifestyle**

		Scientific Sessions
2024–2026	Scholarship for Outstanding Medical Talent (Awarded ≥10 times)	Taipei Veterans General Hospital & National Yang Ming Chiao Tung University
2025	Second Place, Oral Research Presentation Award	Taiwan Hypertension Society Annual Scientific Meeting
2025–2026	Incentives for Students' Excellent Research (Awarded ≥ 5 times)	National Yang Ming Chiao Tung University
2025	Undergraduate Research Project Scholarship	National Science and Technology Council, Taiwan
2024–2026	Gen. & Mrs. M.C. Peng Fellowship (Awarded ≥10 times)	National Yang Ming Chiao Tung University School of Medicine
2024	Outstanding Paper Award	National Yang Ming Chiao Tung University College of Medicine
2024	Q1 Distinguished Journal Article Award	National Yang Ming Chiao Tung University

Manuscripts Under Review / In Preparation

U1. Liao, L.-Y., Liang, C.-I., Yao, J.-W., Huang, C.-J., Yang, S.-M., **Chen, S.-H. #**, Cheng, H.-M. (corresponding). Salt Sensitivity of Blood Pressure and Long-Term Risks of Incident Hypertension, Cardiovascular Events, and Mortality: A Systematic Review. Under revision, *Journal of Clinical Hypertension*. (#Co-Corresponding Author)

U2. **Chen, S.-H.*** (PI: Hao-Min Cheng). Achieved Potassium and Renin De-Suppression as Mediators of Cardiovascular Outcomes in Mineralocorticoid Receptor Antagonist-Treated Primary Aldosteronism. Under review, *Lancet Diabetes & Endocrinology*. (*First Author)

U3. **Chen, S.-H.*** (PI: Hao-Min Cheng). Selective Versus Nonselective Mineralocorticoid Receptor Antagonists in Primary Aldosteronism: A Target Trial Emulation. Under review, *eClinicalMedicine*. (*First Author)

U4. **Chen, S.-H.*** (PI: Frank B. Hu). Metabolomics-Guided Subclassification of Ultraprocessed Foods and Risk of Cardiovascular Disease and Mortality. Under review, *JAHA*. (*First Author)

U5. **Chen, S.-H.*** (PI: Chung-Lieh Hung). Myocardial Strain Refines Heart Failure Risk Beyond Cardiovascular–Kidney–Metabolic Staging: A Large Pooled Echocardiographic Cohort Study. Under review, *JAMA Network Open*. (*First Author)

U6. **Chen, S.-H.*** (PI: Fan-Yun Lan). Cardiometabolic Health Disparities among Vietnamese Migrant and Domestic Metal Workers in Taiwan: A 3-Year Retrospective Cohort Study. Under revision, *Journal of General Internal Medicine*. (*First Author)

U7. **Chen, S.-H.*** (PI: Hao-Min Cheng). From Algorithms to Outcomes: A Risk-Stratified Implementation and Governance Playbook for AI in Cardiology. Under review (invited review), *Journal of the Chinese Medical Association*. (*First Author)

U8. **Chen, S.-H.*** (PI: Hao-Min Cheng). Comparative Cardiovascular Effectiveness of Tirzepatide Versus Semaglutide in Adults with Obesity. Under review, *International Journal of Obesity*. (*First Author)

MEDIA COVERAGE

Featured in American Heart Association (AHA) Newsroom press release (EPI|Lifestyle Scientific Sessions 2026). https://newsroom.heart.org/news/extra-belly-weight-not-bmi-was-a-stronger-predictor-of-heart-failure-risk-inflammation

INVITED SPEECHES & LECTURES

1. Invited Speaker, *From CKHS, NYCU, to Harvard: My Research Journey as a Medical Student*. Alumni Career Sharing Seminar, Taipei Municipal Chien Kuo High School, Taipei, Taiwan. (Apr 10, 2026)
2. Guest Lecturer, *My Research Journey as a Medical Student*. Course: Introduction to Physician-Scientist Research, School of Medicine, National Yang Ming Chiao Tung University, Taipei, Taiwan. (Nov 25, 2025)
3. Lecturer, *Introduction to Evidence-Based Medicine*. Evidence-Based Medicine Workshop, Federation of Medical Students in Taiwan (FMS-Taiwan), Taipei, Taiwan. (Nov 9, 2025)

CONFERENCE ORAL PRESENTATIONS

1. Metabolic Health Disparities among Vietnamese Migrant and Domestic Metal Workers in Taiwan: a 3-year Retrospective Cohort Study. 24th Asian Congress on Occupational Health 2026, Kuching, Malaysia. (August 8, 2026) *(Note: Awarded First Place for Oral Research Presentation)*
2. Beyond Uniform Sodium Targets: Population-Stratified Evidence for Personalised Blood Pressure–Sodium Dose-Response Relationships from 16,443 Participants. Pulse of Asia International Conference, Taipei, Taiwan. (May 15, 2026) *(Note: Abstract Review Ranking 1st)*
3. Eplerenone versus Spironolactone for Cardiorenal Protection in Primary Aldosteronism: A Target Trial Emulation. Taiwan Society of Aldosteronism Spring Scientific Conference, Taipei, Taiwan. (May 9, 2026) *(Note: Awarded Third Place for Oral Research Presentation)*
4. Modifiers, Threshold, and Prevalence of Salt Sensitivity: A Systematic Review and Meta-Regression. Taiwan Society of Hypertension Annual Scientific Meeting, Taipei, Taiwan. (Dec 7, 2025) *(Note: Awarded Second Place for Oral Research Presentation)*

MODERATED POSTER PRESENTATIONS

1. Myocardial strain imaging unmasks subclinical heart failure risk across the cardiovascular–kidney–metabolic syndrome continuum. European Society of Cardiology Congress, Munich, Germany. (Aug 28, 2026)
2. Systemic Inflammation Mediates the Association Between Central Obesity and Incident Heart Failure. American Heart Association EPI|Lifestyle Scientific Sessions, Boston, MA, USA. (Mar 19, 2026)
3. Metabolomics-Based Reclassification of Ultra-Processed Foods and Risk of Cardiometabolic Outcomes. American Heart Association EPI|Lifestyle Scientific Sessions, Boston, MA, USA. (Mar 18, 2026)

RESEARCH MENTORING & LEADERSHIP

2025 – present Research Group Leader, supervising a team of 7–8 undergraduate/medical student mentees under Prof. Hao-Min Cheng, National Yang Ming Chiao Tung University / Taipei Veterans General Hospital

METHODOLOGICAL SKILLS

Survival analysis (Cox, competing risks)

Meta-analysis, meta-regression, network meta-analysis

Causal inference (mediation analysis, difference-in-differences, target trial emulation)

Statistical software: R, Stata

PROFESSIONAL SERVICES

Invited Reviewer for International Journals

BMC Geriatrics · BMC Health Services Research · BMC Public Health · **Cardiac Failure Review** · **Cardiovascular Diabetology** · **Diabetes, Obesity & Metabolism (DOM)** · Diabetes Research and Clinical Practice · Diabetology & Metabolic Syndrome · Discover Public Health · Discover Social Science and Health · **European Heart Journal (EHJ)** · European Heart Journal – Quality of Care and Clinical Outcomes · **European Journal of Preventive Cardiology (EJPC)** · **Journal of the American Heart Association (JAHA)** · Journal of the Chinese Medical Association · Scientific Reports · **The American Journal of Clinical Nutrition (AJCN)**

Professional Membership

2025 – present Member, American Heart Association (AHA)

2025 – present Member, Taiwan Hypertension Society (THS)

2026 – present Member, Taiwan Society of Aldosteronism (TSA)
